**What's all the excitement about?**

**High Speed • Cost Saving • Double-Sided Printing**

***Gestetner***

**TOTAL DOCUMENT SOLUTIONS**

Produce more high-volume print in less time with the Gestetner DX 4640PD, the world's first double-sided CopyPrinter.

Now you can simultaneously print both sides of leaflets, newsletters, price lists, catalogues and stationery at ultra-high speed, saving time and increasing profitability.

## Setting a new benchmark for cost efficiency and productivity

Ricoh's new, exciting and revolutionary DX 4640PD will deliver far more for less. The world's first double-sided digital duplicator, the DX 4640PD prints both sides of an A4 page in a single pass. Users can save time while keeping their budget under control. This top-of-the-range, yet highly affordable, device significantly accelerates high-volume print production and substantially reduces paper costs. Boasting print speeds of up to 240 pages per minute, the DX 4640PD is an innovative powerhouse that leaves the competition far behind.

### Cost efficiency

Print double-sided A4 pages at an amazing speed of up to 240 pages per minute.

- Double-sided printing
  - saves paper
  - saves time
- Low Total Cost of Ownership (TCO)
- High-volume output at an affordable price

### Revolutionary productivity

- Ultra-fast continuous document flow up to 240 ppm
- Print double-sided A4 documents in a single pass
- Ideal for busy high-volume environments

### Excellent connectivity

- Seamless integration into already existing networks
- Available for walk-up and networked users

### Flexible paper handling

The DX 4640PD effortlessly handles a wide variety of paper types and sizes.

- Print paper size: minimum 70 x 148mm, maximum 325 x 447mm
- Double-sided printing on A4
- Print on heavy paper of up to 210g/m<sup>2</sup>
- Handy 50-sheet Auto Reverse Document Feeder (ARDF)
- Create professional-looking flyers, price lists, manuals and stationery in-house

### Ease of use

- Intuitive RPCS icon-based printer driver interface
- Simple touch screen operation panel

Company management systems applied during the manufacturing of all Gestetner products conform to ISO9001 quality and ISO14001 environmental management standards.

As an ENERGY STAR Program Participant, Gestetner has determined that this product meets the ENERGY STAR guidelines for energy efficiency.

In compliance with EU RoHS directive (RoHS: Restriction of Hazardous Substances).
