

## COPIER

Technology:	Laser beam scanning, Electro-photographic printing Mono component toner
Copy Speed:	SP 5200S: 45ppm SP 5210SF: 50ppm SP 5210SR: 50ppm
Copy resolution:	600 x 600 dpi
Multiple copy:	Up to 999
Warm-up time:	20 sec or less
First copy speed:	10 sec or less
Zoom (in 1% step):	Platen: 25% to 400% ARDF: 25% to 200%
Memory:	1GB
HDD:	128GB
Paper input capacity:	Std: 550 sheets Bypass: 100 sheets Max: 2,300 sheets
ARDF capacity:	50 sheets
Paper output capacity:	SP 5200S: up to 500 sheets SP 5210SF: up to 600 sheets SP 5210SR: up to 250 sheets
Paper Size:	Std/Opt: A4 - B6 Bypass: A4 - B6 ARDF: A4 - A5
Paper Weight:	Std/Opt: 52 - 220g/m <sup>2</sup> Bypass: 52 - 220g/m <sup>2</sup> Duplex: 60 - 163g/m <sup>2</sup>
Dimensions (WxDxH):	SP 5200S: 460 x 510 x 686mm SP 5210SF: 460 x 510 x 686mm SP 5210SR: 460 x 615 x 686mm
Weight:	SP 5200S: less than 45kg SP 5210SF: less than 47kg SP 5210SR: less than 53kg
Power source:	220-240v, 50/60Hz
Power consumption:	Max: 1,500W or less Energy saver: 8W or less

## PRINTER

Print speed:	SP 5200S: 45ppm SP 5210SF: 50ppm SP 5210SR: 50ppm
First print speed:	7.5 sec or less
Duplex:	Automatic
Printer language:	PCL5e/6, PostScript 3, IPDS(Optional)
Print resolution:	1,200 x 600 dpi
Interface:	Ethernet 10BASE-T/100BASE-TX, USB 2.0
Network protocol:	TCP/IP (IPv4, IPv6), IPX/SPX, Bonjour
Supported environments:	Windows XP Windows Vista Windows Server 2003 Windows Server 2008 (32bit, 64bit) Windows 7 MacOS (v8.6 or later) Novell Netware (v6.5 or later)

## SCANNER

Scan speed:	over 30ppm
Scan resolution:	600 dpi (maximum)
Protocol:	Network: TCP/IP Scan to Email: POP, SMTP Scan to folder: SMB, FTP, NCP

## FAX

Circuit:	PSTN/PBX
Compatibility:	ITU-T, G3
Modem speed:	33.6K - 2400bps with Auto Fallback
Fax resolution:	200 x 100, 200 x 200, 200 x 400, 400 x 400 (with optional memory)
Compression method:	MH/MR/MMR/JBIG
Scan speed (sec):	Platen: less than 2 sec ARDF: less than 1 sec
Scan speed (ppm):	40ppm (A4/LT SEF)
Memory capacity:	approx 320 pages
Memory backup:	1 hour

## CONSUMABLES

Toner:	Black: 25,000 <sup>1</sup> prints
Staple set and refill	

## OTHER OPTIONS

550 sheet paper tray<sup>2</sup>  
550 sheet paper tray with caster<sup>2</sup>  
IPDS option  
IEEE 802.11a/g interface unit  
Gigabit Ethernet Board  
Bluetooth Interface Unit  
Memory unit type B (32MB)  
Fax option (for SP 5200S/SP 5210SR)

<sup>1</sup> Toner yield measurement is based on ISO/IEC 19752

<sup>2</sup> Please consult your local Ricoh supplier for configuration options

Ricoh has designed these products to meet EC ENERGY STAR guidelines for energy efficiency.

For availability of models, options and software, please consult your local Ricoh supplier.

# Big performance for small spaces

Where space is at a premium, our compact A4 black and white multi-functionals, the Aficio™ SP 5200S, SP5210SF and SP5210SR are ideal. They deliver 4-in-1 printing, copying, scanning and faxing to meet all your document needs. Packed with features usually expected only from larger MFPs, they are smaller but work just as hard. Your busy office or workgroup gets fast, affordable and versatile devices that can expand from desktop models to mighty four-tray, floor-standing powerhouses. You benefit from:

- High speed to maximise productivity.
- Compact and easy to operate.
- Built-in data security.
- Low Total Cost of Ownership (TCO).
- Energy efficient.

## Innovative multifunctionality

### VERSATILE AND FLEXIBLE

The standard model offers a single tray with 550-sheet capacity which is great for either a desktop or a small office environment. Larger workgroups can extend the MFPs with three further paper trays to a maximum 2300-sheet capacity for different paper types. The SP 5210SF has a built-in fax as standard. Whilst the SP 5210SR includes an inner finisher that can staple for superb professional results while saving on space.

### BOOST YOUR PRODUCTIVITY

Time is money, and our devices waste neither. With a 7.5 second first print speed, you have a copy in less than 10 seconds. With print speeds of 45/50 ppm, you can step up your workflow significantly. They also intuitively detect paper size, handle a wide range of paper weights from 52 – 220g/m<sup>2</sup>, colour scanning and consistently deliver superb quality reproduction. Whilst full @Remote helps boost efficiency by providing real-time remote support for performance monitoring and diagnosis management.

### MAXIMISE YOUR WORKSPACE AND MINIMISE THE EFFORT

Space-efficient, our compact A4 MFPs don't intrude on valuable workspace in the office. Set-up and operation are simple and straightforward. It also gives you a large dimension touch panel for ease of use by any operator.

### SPEND TIME WORKING, NOT WAITING YOUR TURN

You can access the copying, scanning or faxing functions whenever you need them, whether or not other jobs are being printed. Stacks of loose paper documents can be scanned straight to your desktop or a folder. You'll also have no problem faxing from your PC and organising, editing and sending files with the onboard scanning tools. While a standard USB print connection saves valuable time and enhances productivity

### KEEP CONFIDENTIAL DOCUMENTS CONFIDENTIAL

You have the choice of a full suite of security tools to keep your data safe. For example, hard copies won't print until a PIN is entered and you can restrict the use of the multifunctional devices to approved groups or individuals. Plus watermarks can be embedded in the media to prevent unauthorised copying.

### CONTROL COSTS AND SAVE MORE

Our range is designed to minimise TCO with many money-saving features to reduce unnecessary paper consumption. Two-sided duplex printing, for example, is automatic and cuts down on paper use and costs. Print volumes can also be controlled to prevent unauthorised use or over-use to save on costs.

### PROTECT THE ENVIRONMENT

Sustainability is a strong part of our heritage. It touches every part of our company, from manufacturing to distribution, business sites to recycling. Maximising efficiency is a firm commitment, and our SP5200S, SP5210SF and SP5210SR models are both Energy Star and BAM compliant. Duplex printing, paperless faxing and all-in-one toners also reduce energy usage and save expense.
